**We ask that you please be sure that all mobile phones are switched off.**

**Please note that we cannot allow any photo, video, or audio recordings during performances. If you would like to follow us on Social Media or subscribe to our newsletter, we will be happy to share with you.**

**Many people ask why we stop so frequently to re-tune the instruments, particularly the strings. This is necessary, due to our use of gut strings, which are extremely sensitive to changes in temperature and humidity. We thank you for your patience and your understanding.**
